Comment from Vicki Eastwood who attended a practice session prior to taking the SLLA test.

*"I was at your workshop In Columbia last December. I then took the SLLA in January. I can't begin to tell you what a difference it made in my comfort with the test. I know that I personally would have been in tears at the end of the first test! The workshop is A+ and I have recommended it to a number of people. Thanks for a great job!"*

## REGISTRATION FORM

### Assessment Required for Licensure as a Principal or Superintendent in Missouri

Any individual seeking licensure as a principal or superintendent in the State of Missouri must successfully pass the licensure assessment administered by the Educational Testing Service. To assist those candidates seeking licensure, **MASSP** and **MCSA OUTREACH** have collaboratively developed pre-assessment practice sessions to prepare individuals for the actual test. These practice sessions are held just prior to the administration of the assessment instrument.

Dates of the actual test and dates for each practice session are noted on this registration form.

**Dave Backer**, MASSP Conference Director and **Larche Farrill**, William Woods University adjunct professor are the facilitators for these sessions. They have scored the SLLA test numerous times for ETS, are very knowledgeable of the ISLLC standards and have combined the two to help develop these test preparation sessions.

The practice sessions will be held in Columbia, Missouri at the **Stoney Creek Inn**. The sessions will start at 9:00 a.m. and conclude by 3:00 p.m.

Registrants needing lodging should call the Stoney Creek Inn 573-442-6400. The Stoney Creek Inn is located at 2601 S. Providence Road.
